Because of his unswerving interest in humanity, his devotion to his fellow man, and his love for his country, he gave liberally of his time and talents to the American Red Cross in the European Theatre of World War II.

In appreciation for these unselfish services during his absence from our school, and for his sympathetic and conscientious leadership, we the students of the Ennis High School dedicate this edition of the Cicerone to our Superintendent of Schools, Mr. J. D. King, Jr.

J. F. Gardner

J. F. Gardner

A man noted for his versatility, keen memory, and true sportsmanship is our Principal, Mr. J. F. Gardner. Since his coming to our school in 1943, he has served as Director of Athletics, High School Principal, and during the absence of Superintendent J. D. King, Jr. he filled the office of Superintendent of Schools. For these many accomplishments under trying circumstances, we herald Mr. Gardner as one who has truly achieved.

A. B. Roach

The most affable person in Ennis High School is our Assistant Principal, Mr. A. B. Roach. His ability as a classroom teacher, his deep interest in all school activities, and the understanding way with which he performed the duties of high school principal have won for him the unanimous admiration of the student body because each regards him as a personal friend.

Ennis High Band

All of the students of Ennis High School hold a sincere appreciation of the band and all that it signifies. It is our pepster at football games; it parades for us when occasion demands; and it brings advertisement and renown to our school by its performances for out-of-school activities. During the year, under the leadership of Mrs. Melba Davenport (Director, Semester I) and Mr. Arnold Whedbee (Director, Semester II), the band has given some impressive programs and marching performances. With many new members being added to the ranks of this growing organization, we eagerly anticipate the future attainments of the Ennis High School Band.

Season's Summary

The Ennis Lions of '45 had a poor season. Handicapped by lack of weight, experience, and after the second game, limeburns, the Lions were never able to put a full-strength team on the field.

Denison downed the Lions nineteen to nothing in the first game of the season; then Waxahachie followed up with a twenty-six to nothing defeat on a rain-soaked gridiron. Minus four starters, Ennis was taken easily by Temple to the tune of thirty-five to nothing. Ennis scored for the first time in the Bryan game, which the Broncos took twenty-six to seven. McKinney turned back the Lions thirteen to nothing. Cleburne ran up the top-heavy score of forty-four to nothing, and Hillsboro followed through with a fifty to nothing blasting. Coming from behind in the last quarter, the Lions took their first game by a twelve to six count. Ft. Worth Tech was the victim. Ennis climbed from the district cellar with a seven to six win over the Corsicana Tigers, and finished off the season by scoring more points against State Co-Champion, Waco, than were scored by any other team. The Tigers won 49-19, but it was a proud Lion team that left Waco that night.

It was a poor season, as far as victories go, but the Lions proved to the satisfaction of all concerned that they had earned the right to be called, in an old and glorious tradition, "Ennis's Fightin' Lions."

Basketball

The Lions' basketball squad had a good season. The most important honor of the year was winning third place in District 10-AA, acknowledged to be the toughest district in the state. While topped by Waco and Bryan, Ennis beat out Waxahachie, Temple, Cleburne, Hillsboro, and Corsicana. The Lions scored 394 points on district opponents while allowing 380 to be scored on them.

In the Palmer tournament, the Lions downed Wortham, Forreston, Italy, and Ferris to win first place. Morgan, Ennis forward, was selected on the all-tournament team. In the Dr. Pepper tournament, the Lions were stopped by Greenville who took third place in the state race this year. In the consolation bracket, the Lions defeated Frisco and then lost to Adamson (of Dallas) to drop out of the tournament. In the Forreston tournament Ennis beat Penelope, Morgan, and Ferris—then lost to Forreston to take second place. James Lovell was selected on their all-tournament team. In the Ferris tournament the Lions lost to Pleasant Grove in the first game. "Buddy" Wilson was the all-tournament man there. The Lions won 25 games and lost 11—giving them a season's average of 70%. Individual scoring for the first team was as follows: Wilson—237; Morgan—200; Lovell—179; Gorman—133; Glaspy—83. At the close of the season Gorman and Wilson were elected co-captains of the team.

While not winning every game, the Lions showed a fighting spirit that managed to win some close ones, and made every game a real contest.

THE KIWANIS CLUB

The Kiwanis Club is one of the most recently organized civic groups in Ennis; furthermore, it is one of the most active.

There has been no civic organization during the current year which has done so many outstanding things for our high school as have been accomplished by the Kiwanis Club. In the first place, the program inaugurated for the nine outstanding young men who were chosen as Student Kiwanians set a goal to which every boy in high school aspires. These seniors, chosen by a secret committee, followed the routine of the active members—they wore the pin, sang the songs, listened to business, and gave a speech. Through these associations the business men and the students became better acquainted. Another remarkable accomplishment was achieved when this club sponsored the tuberculosis tests which were administered to every student in the high school. It is also to be noted that interested Kiwanis Club members are sponsoring both a Boy Scout Troop and a Brownie Girl Scout Troop in our city.

With the progressive spirit manifested constantly by these business and professional people, it is easy to see that this group is carrying out its excellent motto, "We build"—not only for our high school but also for the entire town.

Leading in these numerous activities are the following officers and directors: President, Rev. S. T. Francis; First Vice-President, Owen Gilpin; Second Vice-President, J. C. McCrary; Secretary-Treasurer, A. R. Merritt; Directors, Dr. A. L. Thomas, F. A. Moseley, Wesley Knize, Dr. R. E. Erisman, W. R. Schween, G. G. Dunkerley, Jr., and D. W. Ramsay.
